The St. Cloud Blue Sox Travel Baseball Association

invites baseball players for fall tryouts for the
**2010 TRAVEL BASEBALL
SUMMER SEASON**

**Tryouts will be Saturday Sept. 19, 2009
Whitney Memorial Park, St. Cloud**

Age on 4/30/2010

Time

9 or 10 years old	11:00 am
11 years old	1:00 pm
12 years old	2:30 pm
13 years old	3:30 pm
14 years old	4:30 pm
15 years old	5:30 pm

All baseball players who attend a school located within St. Cloud School District 742 boundaries (public or parochial), or who has a parent or legal guardian who resides within District 742 boundaries will be eligible for a team. In addition, if a child is not able to meet these boundary restrictions, individual requests for exemptions will be considered.

Practices for the travel baseball season will begin in April 2010 with league games beginning in May (or June for the 15-year old team, depending on high school schedules). Practices and games will not conflict with junior high or high school baseball schedules. The season typically concludes in mid-July with a league and/or state tournament. The commitment for a player on a travel baseball team is typically 2-3 nights per week for practices and games, and 3-4 weekend tournaments. St. Cloud Blue Sox teams participate in the Gopher State Baseball League with other local communities. In 2009, teams in the league included Sauk Rapids, Sartell, Becker, Big Lake, Monticello, Rogers, St. Michael/Albertville and Buffalo.

Travel baseball provides a higher level of training and competition for talented and motivated baseball players who are willing to commit time to the improvement of their skills in a team focused environment. It requires a commitment from players and parents to attend practices, league games, and tournaments.
